

WHO WE ARE

The Military Officers Association of America (MOAA), formerly The Retired Officers Association (TROA), was founded in 1929 with the view to counsel and render assistance to all officers in matters related to their retired status. Through the years, the association broadened its objectives to work on behalf of the entire uniformed services community.

Six out of 10 retired officers belong to MOAA, as do more than 30,000 active duty officers. Today, with approximately 390,000 members, MOAA is the country's largest military officers' association.

MOAA is an independent, nonprofit organization, operated exclusively to benefit members of the uniformed services, their families and survivors. MOAA is dedicated to preserving their earned entitlements and to maintaining a strong national defense.

Membership is open to active duty, retired, National Guard, reserve, former commissioned officers and warrant officers of the Army, Marine Corps, Navy, Air Force, Coast Guard, Public Health Service, and National Oceanic and Atmospheric Administration. Auxiliary memberships are also available for surviving spouses of deceased officers.

Golden Isles Chapter

MOAA

The Golden Isles Chapter of MOAA was chartered in 1964. Our membership lives in the Golden Isles area of Brunswick, St Simons Island, Jekyll Island, Sea Island and surroundings counties. We meet on the second Sunday for a luncheon or dinner meeting in September, November, December, February and April at the King and Prince Hotel on St. Simons Island, GA. Our dress code is coat and tie for the gentlemen and appropriate attire for the Ladies. We have a social hour and a served dinner followed by a formal program.

We have been able to attract prominent national, as well as local speakers for our programs.

Each year the chapter provides a \$1,500 scholarship to a student from each of the three Glynn County High Schools. All students in good standing are eligible to apply for these scholarships.

For more information about membership in the Golden Isles Chapter, contact LTC James Vivencio (USAR) at (912) 265-8672, or LCDR Bob Brittin (USN) (912-638-7899
