President's Corner

Thanks to all of you who attended the October luncheon to hear Buddy Carter as we had a large turnout with lots of questions for our, now recently reelected, Congressman. Also, thanks to those who joined us in the Veterans Day Parade.

Please remember, we have elected to change meeting venue effective 2019. Effective February 17th and beyond we will be meeting at The Sea Palms resort.

I am sad to report that Millard Allen has elected to resign from our board of directors as his health issues no longer allow him to participate. We thank Millard for his many years serving as past President of the Chapter and in other capacities and hope he might occasionally attend a future chapter event.

Our speaker for the first meeting of next year will be a representative of MOAA National Headquarters. MOAA likes to have a representative visit each Chapter from time to time and we are long overdue so keep this in mind and put this on your calendar early.

We are looking forward to seeing everyone at our formal Christmas Gala December 2nd and Faith will once again be providing music for our enjoyment.

Mike
