PRESIDENT'S CORNER

As we roll into a new year, I want to first recognize you, our faithful MOAA members, for your loyalty, support and dedication to our organization. Without you we would just fold up the tent and retire the colors. I would also like to thank Millard Allen for his dedicated service as President for 2008 and 2009. Millard is a valuable asset to our group and we appreciate his valued leadership. Also, a big thank you to our MOAA board for giving their time and effort and for keeping our organization focused and on track.

The goals for 2010 will be identified to you at our February luncheon at the King and Prince. I also want to solicit your input concerning suggestions about how we can improve our organization in the weeks and months to come. Call me at 265-8672 and leave a message and I'll get right back to you. We will continue to award scholarships to deserving local high school students and on behalf of our entire organization, I'd also like to express our sincere appreciation to Mrs. Noah, the Pozaks and the Campbell's who fund scholarships themselves. We also will be exploring other ways to support our community.

Please call or email Jerry Rhyne and reserve your place at our February luncheon. I look forward to seeing you all then.

James
