PRESIDENT'S CORNER

Time flies and it's almost time for our Awards Banquet. I'm sure you are looking forward to this major event for our chapter as much as I am. COL Daryl Rabert and COL Vernon Martin have been working diligently managing the program and collecting money to make the scholarship program successful. We cannot

thank them enough for their efforts. They make it happen.

We will be in coat and tie as a minimum and tuxes are acceptable at the Awards Banquet. Miniature medals are authorized. Again, we will have beautiful piano music during the social and dinner provided by Faith Hamilton-Trent. Please let us know if you are interested in a little dancing following the meeting. It can be arranged.

Our scholarship winners and their parents will of course be with us at the banquet and as before we will have them sit with the leaders of their interview teams. There will be decorations on the tables for the winners as a small added surprise.

All are welcome to attend.

President Corner (continued)

We had a great staff ride to Camp Blanding on 11 April. George Cressman, President of the Camp Blanding Historical Society provided a highly informative briefing on the camp's history and the events which established it and gave us a tour of the facility. We very much appreciated George's enlightening and informative briefing and the tour. We are looking forward to our next staff ride. It might be sooner than you think!

This area is full of places of historical significance. If you have an idea for a staff ride or would like to participate in our next one, please let me know. It's a fun day out and interesting to boot.

Linda and I are looking forward to seeing you there on the 3rd of May

Steve
