## President's Corner

Sunday night was a great event with many guests joining us for the Scholarship award winners dinner. Our interview team leaders: Sam Brinkley, Jim Hagarty and Daryl Rapert introduced the winners from the three high schools and John and Jan Campbell introduced the two JROTC students who won the Rives Scholarship. A list of the winners is also in this newsletter. Lots of photos were taken and we will let you know when they will be available on our website. We were happy to have Faith returning to offer music, although we experienced some equipment issues. We hope she will be providing music for all future meetings. Our next meeting will take place on 16 September at King and Prince, we will let you know which meeting room as we get closer to the date. As we take the summer off, from our Chapter program, please do continue to make an effort to recruit new members for our group.

Thanks, *Mike*
