PRESIDENT'S CORNER

Historically, our general membership meetings have taken place on the second Sunday of the month. Your Board of directors has decided to be more date flexible going forward with our eye to avoiding member calendar conflicts. We have thus changed our September meeting from the 11th to the 18th to steer clear of Labor day vacations and the return of seasonal residents.

We continue to improve our GIMOAA.org website. Recently, we created joint links with Gold Isles New-comers giving us greater exposure to newly arrived neighbors eligible for MOAA memberships.

Congressman Jack Kingston is sponsoring an Veterans Service Forum on Tuesday, September 12 from 10 AM to 1PM at the St. Simons Community Church. Information on various resources available to vets will be presented. For additional information, log to "www.Kingston.house.gov/veterans forum" or phone his Brunswick office at 165-9010

KINGSTON ANNOUNCES VETERANS FORUM IN GLYNN COUNTY

WASHINGTON, DC – Congressman Jack Kingston (R-GA) announced today that he will host a Veterans Forum to educate First District veterans about programs and assistance available to them. Veterans will have the opportunity to get information from volunteer groups as well as non-profit organizations that help supplement Veterans Administration services and programs. The forum will be held on St. Simons Island Monday, September 12 from 10 a.m. to 1 PM. at St. Simons Community Church.

“We owe so much to our veterans and want to make sure that they know about all of the programs and assistance that are available to them through the VA and other agencies,” said Kingston. **“I encourage all veterans who need help to attend this forum. Whether they need assistance with completing forms, processing a claim, or just want to learn more about the many opportunities for which they may be eligible for, we’ll have answers for them.”**

Veterans interested in applying for or learning more about programs offered through the Veterans Administration are encouraged to attend. Additionally, there will be a panel discussion on common VA issues at 11:00 am.
